DETAILED ACTION

Allowable Subject Matter

Claims 11 – 17 are allowed.

The following is an examiner's statement of reasons for allowance: Claim 1 recites a adjustable laser module structure including the specific structure limitation of a *first adjusting device coupled to the first end and the laser generator for adjusting the angle of the laser generator with respect to the main body; and a second adjusting device coupled to the second end and the cylindrical lens for adjusting the angle of the cylindrical lens with respect to the main body* which is neither anticipated or disclosed nor suggested in any piece of available prior art, which is neither anticipated nor obvious over the prior art of record.

Claim 18 recites a Adjustable laser module, structure including the specific structure limitation of a *main body having a hollow interior, a back seat and main seat body that has a channel, a cylindrical lens provided in the channel of the main seat body and an adjusting device for adjusting the angle of the back seat with respect to the main seat body*, which is neither anticipated or disclosed nor suggested in any piece of available prior art, which is neither anticipated nor obvious over the prior art of record.

Claim 22 recites an adjustable laser module structure including the specific structure limitation of *a main body having a hollow interior, a main seat body and a front seat that has a channel, a cylindrical lens provided in the channel of the front seat and an adjusting device for adjusting the angle of the front seat with respect to the main seat body*, which is neither anticipated or disclosed nor suggested in any piece of available prior art, which is neither anticipated nor obvious over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
